

A background network diagram consisting of numerous small, light red circular nodes connected by thin, light red lines. The nodes are distributed across the entire frame, with a higher density around the central text. The lines form a complex web of connections, some straight and some slightly curved, creating a sense of interconnectedness.

GOOT

A photograph of a bar counter densely packed with various liquor bottles. The bottles are of different shapes, sizes, and colors, including clear, green, and dark glass. Some labels are visible, such as 'DISARONNO', 'MONTANA', 'JAMES WATSON', '1800', and 'WILD TURKEY'. The background shows a dimly lit bar area with shelves holding more bottles and glasses. The text 'BE THE SUPPLIER HORECA LOVE TO ORDER FROM' is overlaid in white, bold, sans-serif font on the left side of the image.

The background is a solid red color. Overlaid on this is a network diagram consisting of numerous small, light-red circular nodes. These nodes are interconnected by thin, light-red lines, forming a complex web of connections. The nodes are distributed across the entire frame, with some appearing more isolated and others as part of denser clusters. The overall effect is a sense of interconnectedness and digital communication.
